CORRECTION TO INFORMATION DISCLOSURE STATEMENT

Dear Sir:

A Supplemental Information Disclosure Statement (IDS) was filed August 6, 2002.

Line 3 in the body of the IDS inadvertently identified the foreign application as a "counterpart". This was incorrect. EP 00928737 is not a counterpart foreign application corresponding to the present application. Thus, the art being brought to the attention of the USPTO was not cited in a counterpart foreign patent application.

If there are any questions, the Examiner is invited to call Applicant's Attorney at the telephone number indicated below.

Respectfully submitted,

Mark F. Harrington
